

# Competition is increasing!

## What's happened in the last few months?

The first two mobilities have taken place:

the first in **Espinho** in Portugal from the 24th to 28 January 2022  
and the second in **Madrid**, Spain from the 14th to the 18th March 2022.

More than 40 participants met up, tested the learning materials, built their robots  
and then participated in the competitions

Curious to know who the winners were?

Have a look at the project website to find out!

## What are the next step?

Partners are committed to the continuous implementation of the Learning By Competing project. They are now working on the organization of last mobility to be held in France!
